The Tee-Dee Money Picture.

If money is shy—or backward—
In meeting your needful ends,
Just put an ad. in The Times-Dispatch
And money and you will be friends.

A PRIZE OFFER.

The above picture is the one of a series of the same style, which The Times-Dispatch has prepared for the purpose of adding interest to the Tee-Dee Money Picture. These will be called The Tee-Dee Money Pictures, and the object of each will be to impress the fact that a very little Money can accomplish great results, when that Money is permitted to work through the Tee-Dee Money Picture. It is possible that the picture and the poetry might both be improved a little, but the artist and the poet are both very proud of the work that they have done on this series of pictures and poems, and they feel quite certain that they have done better than any of The Times-Dispatch readers can do. The Times-Dispatch is going to offer three prizes of \$1 each for the three best pictures or poems received before next Thursday night. The prize will be signed to each picture or poem. If the poem is unusually good, it may win a prize without reference to the picture, or if the picture is good, it may win without reference to the poem. In other words, if you can draw a picture, draw the best one you can, and if you are not much of a poet, you may win on your picture. If there are any very good poems or very good pictures, The Times-Dispatch will publish them. None will be considered unless the general style and idea as given in the picture and verse above are followed and the real and full name of the contestant must be signed to each picture or poem. The best three, whether they be pictures or poems, will each receive a dollar. The next one of this series will appear next Sunday.

ALL DRAWINGS MUST BE IN BLACK INK. PRIZE WINNERS IN LAST WEEK'S CONTEST
